

## CLIENT REVIEWS

*We're here to serve our clients and create experiences while they're on the farm.*

*Hear from some of our recent guests..*

# CORPORATE RETREAT

A small group of banking executives spent a full day in our Farmhouse. We served up breakfast, lunch and dinner in various locations within the facility all meeting technology and supplies were taken care of by the North Corner team.

*Farm to table lunch on an outdoor wrap around porch, skeet shooting, cocktails, and delicious farm to table dinner delivered personally by the chef....these are the keys to a perfect strategic planning meeting. My company hosted a full-day strategic planning meeting at North Corner Haven and it was AMAZING. While we did spend the majority of the day sitting comfortably in the living room of the home discussing work - it was a memorable experience given all the special activities we had scattered throughout the day. I highly recommend the investment in this type of experience for your company. I can't say enough about Catherine and her team and their attention to EVERY detail. We'll definitely be back.*

# CORPORATE RETREAT

A private equity group out of Charlotte, guests stayed overnight with our friends at the Ballantyne Hotel. Over two days there were working sessions, an opening dinner and on Farm activities like fly fishing and sportitng clays..

*"My firm hosted an executive summit out at North Corner Haven this May for about 50 people. This property is a little slice of heaven - if you have any reason to get a group out of the office for an offsite or have a personal event, I could not recommend this place more! From pre-panning, to help with vendors, to day-of running of things, the NCH team could not have been more professional or more helpful. They thought of and took care of every little detail before I even had to ask or remind them of anything. The barn was great for our sessions, the farm house porch was perfect for our dinner, the outdoor bar was great for cocktails and live music, and the on-site fly fishing and skeet shooting activities were a great way to liven things up a bit and take advantage of the land! Having planned a number of events throughout my career, I can easily say this one went more smoothly than any other and - most importantly - was the least stressful for me, and I have no doubt it was because of the team they have in place. Can't wait to find an excuse to come back!"*

# WEDDING CELEBRATION

*Our family hosted a wedding celebration for our son and his new bride at North Corner Haven. The party exceeded our expectations by a long shot. The NCH team members are experts at turning your ideas for your event into a reality. They excelled in paying attention to every little detail so we were able to relax and enjoy the event. Food preparation was on-site and top notch...a culinary delight was enjoyed by all. The best cheesecake ever! It is truly a beautiful venue and a first class experience... Simple, Southern, Elegant. North Corner Haven lived up to its billing as "a gathering place like no other."*

*Very truly,  
Johan and Vernon Peers*
